

GUIDE TO SERVICES

WELCOME TO THE ST. CLOUD VA HEALTH CARE SYSTEM

VA

U.S. Department of Veterans Affairs
Veterans Health Administration
St. Cloud VA Health Care System

January 2017

Thank you for choosing VA health care and the St. Cloud VA Health Care System. It is our honor and privilege to serve you!

All new enrollees receive a personalized *Veterans Health Benefits Handbook*, generally two weeks after enrollment has been confirmed. The handbooks are tailored specifically for each Veteran and provide detailed, updated information about the VA health care benefits the Veteran may be eligible to receive, such as medications, prosthetics and dental care. An online version of the handbook is available at <https://www.va.gov/healthbenefits/vhbh/>. This *Guide to Services* supplements the *Veterans Health Benefits Handbook* by answering questions about local VA facilities and health care programs. We encourage your comments about your care. Your input will help us to continue to meet our goal of providing quality health care to Veterans.

ABOUT THE ST. CLOUD VA

The St. Cloud VA Health Care System began serving Veterans in 1924 and now delivers care to more than 38,000 Veterans in the upper Midwest region. The Health Care System provides primary and subspecialty medical, urgent, specialty and mental health care; acute psychiatry services; and extended care and rehabilitation services. Specialty outpatient services offered include audiology, dental, endoscopy, ambulatory surgery, laboratory, orthopedics, optometry, podiatry, pulmonology, radiology, urology, otolaryngology, respiratory therapy, rheumatology, hematology/oncology, cardiology, neurology, nephrology, and women Veterans health care.

The Health Care System does not maintain an inpatient medical unit. Those needs are met by utilizing local community hospitals and transfers to the Minneapolis VA Health Care System 80 miles to the south.

The Health Care System also provides a number of special emphasis services including residential and outpatient mental health and substance abuse programs, a Post Traumatic Stress Disorder (PTSD) treatment program, a Mental Health Residential Rehabilitation Treatment Program, outpatient programming for serious mental illness, homeless Veterans programs, a suicide prevention program, a Transition and Assistance Program for Returning Veterans, a Women Veterans program, an Incarcerated Veteran Program, a Veterans Justice Outreach Program, Native American sweat lodge ceremonies to meet diverse spiritual needs, Vocational Rehabilitation and Supported Employment programs. Extended Care and Rehabilitation services include Home-Based Primary Care, Adult Day Health Care, Memory Care, Hospice Care, Short Stay and Nursing Home Care, including ventilator care. In addition to the St. Cloud VA Medical Center in St. Cloud, Veterans can access care and services at three Community VA clinics in Alexandria, Brainerd and Montevideo. See the Menu of Services for a full listing of care and services offered.

ENROLLING FOR CARE

HOW TO APPLY

All Veterans must apply for enrollment in the VA health care system. Each Veterans eligibility status is unique and is determined upon application. Applications can be submitted online at <https://www.vets.gov/healthcare/apply/>, or you may print or fill out an application form and mail it to one of these addresses:

- Health Eligibility Center, 2957 Clairmont Rd., Suite 200, Atlanta, GA 30329
- VA Health Care System, Attn: Health Administration Service – Eligibility, 4801 Veterans Drive, St. Cloud, MN 56303

You can also bring the application form to the St. Cloud VA Medical Center. The Eligibility Office is located on the ground floor of Building 1.

Whether mailing or bringing your application, please include the following items:

- a copy of both sides of your current insurance card (including Medicare, Medicaid, or spouse's insurance if it covers you).
- a copy of your DD214, 'Armed Forces Report of Transfer or Discharge'
- Purple Heart recipients only, bring a copy of your award letter if 'Purple Heart' is not noted on your DD214

If you need to obtain information or assistance regarding your VA health care benefits, please contact the Eligibility (Veteran Services) Office at (320) 252-1670, press 4.

INSURANCE

In 1985, the U.S. Congress passed the Medical Care Cost Recovery Act. This Act requires the Department of Veterans Affairs to bill third party health insurance for medical care provided to Veterans for treatment of their non-service connected conditions or disabilities.

INCOME VERIFICATION MATCHING

Public law allows the VA to compare Veteran-reported means test income data with the IRS and Social Security Administration records. If your eligibility for VA medical care is based on income, you will be asked to provide income and dependent information for yourself and your spouse. All Veterans are asked to provide health insurance and employment information. Your VA means test is based on your prior year's gross income.

PATIENT ALIGNED CARE TEAM (PACT)

A Patient Aligned Care Team (PACT) is each Veteran working together with health care professionals to plan for the whole-person care and life-long health and wellness. PACT is the cornerstone of the way Veterans receive their care. It is your medical home.

Every Veteran is assigned to a PACT that uses a team-based approach to health care. You are the center of the care team that also includes your family members, caregivers and a core team of health care professionals —primary care provider, nurse care manager (RN), clinical associate (LPN), and administrative clerk. Your team also includes extended PACT team members: social workers, pharmacists, dietitians and Primary Care/Mental Health Integration team members.

Together, the team focuses on:

- Partnerships with Veterans
- Access to care using diverse methods
- Coordinated care among team members
- Team-based care with Veterans as the center of their PACT

ACCESSING CARE

ROUTINE APPOINTMENTS

Once enrolled, you may elect to receive primary care at the St. Cloud VA Medical Center or at one of the VA Clinics in Brainerd, Alexandria or Montevideo.

Primary care is your gateway to VA health care. Your PACT team can take care of most of your health care needs.

To schedule an appointment, call 320-252-1670 and press 2.

We serve a large number of Veterans. To increase our effectiveness for all Veterans, we need your help:

- Please check in on time.
- If you know you will be late or are unable to attend your appointment, please call 320-252-1670 and press 2 to cancel or reschedule.
- Bring any medical records you have from Non-VA providers for your first visit.
- Bring a list of all prescribed and over-the-counter medications and immunization records if available.

- Contact your PACT nurse during regular business hours for any concerns instead of going to the clinic without an appointment. Unscheduled patients can experience long waits. In the case of an emergency dial 911 or go to the nearest emergency room.

Annual exams are used to benchmark and track your health. Even if you feel healthy, it is important to attend annual exams.

Schedule other appointments when you need to be seen for a particular concern or notice a change in your health.

GETTING CARE WHEN YOU NEED IT

Our goal is to provide Veterans with high quality care when it is needed, and to deliver it with a positive experience.

Sometimes your health care needs may not allow for advance scheduling. To meet these needs there are a variety of services and locations available to serve you.

SAME DAY SERVICES IN PRIMARY CARE AND MENTAL HEALTH

PRIMARY CARE NEEDS

Our goal is that if you need care right away, you are able to get services the same day, or if after hours, by the next day.

- Options for how that care might be provided include in person with your PACT Team or Urgent Care, via telephone, smart phone, through video care, secure messaging or other options.
- This care may be delivered by your provider or another appropriate clinical staff member based on availability and your care needs.
- For a medical emergency always call 911 or report to the emergency room closest to where you are located.

MENTAL HEALTH NEEDS

Our goal is to provide timely Mental Health care, including same day services, as needed.

- If you are in crisis or have another need for care right away in mental health, you will receive immediate attention from a health care professional.
- Any Veteran new to mental health with a non-urgent need will receive an initial screening evaluation by the next calendar day.

WHERE SHOULD I GO FOR CARE?

When and how to use:

- **Primary care**
- **Telephone Care**
- **Urgent Care**
- **Immediate Mental Health Concerns**
- **Emergency Room**

PRIMARY CARE

Veterans are assigned to a primary care provider and team. Seeing your primary care team over time allows them to know you and your health history well. Visits to your primary care team generally require an appointment. Primary care is the best option for non-urgent care needs such as:

- Annual wellness exams
- Long term back pain and other types of long term pain
- Chronic disease management
- Routine screenings (BP, lab tests, glucose monitoring)
- Minor illnesses (cold, flu, sore throat, urinary tract infection, bronchitis, allergy, rashes)
- Minor injuries (cuts, scrapes, sprains, dislocations, bruises)
- Immunizations/vaccinations
- Physical exams needed for school, work or pre-op

TELEPHONE CARE

Call and talk to a VA nurse when you have health care questions, need health care advice, are ill or injured and not sure if you should see your primary care provider, access urgent care or go to the emergency room. The nurse will ask about your symptoms, answer health care questions, give health care advice, and direct you to health care.

Telephone Care is available at (320) 252-1670, press 3, 24 hours a day.

URGENT CARE

Urgent care is an option when you need to be seen for a minor urgent illness or injury right away. Urgent care is open from 8 a.m. to 6 p.m., 365 days a year. No appointment is necessary. Urgent care is appropriate for non-life threatening conditions such as:

- Recent onset back pain
- Minor illnesses (cold, flu, sore throat, sudden onset body aches, urinary tract infection, bronchitis, allergy, rashes, head ache, eye pain, nausea, vomiting fever, nose bleed)

- Minor injuries (cuts, scrapes, sprains, dislocations, bruises)
- Broken bones not coming through the skin

The Urgent Care Clinic is located at the St. Cloud VA Medical Center in Building 1 (Main Building). The address is 4801 Veterans Drive, St. Cloud, MN 56303

IMPORTANT POINTS:

- Urgent Care is not emergency care. Veterans who have a potentially life threatening medical condition, call 911 and go directly to the nearest emergency room.
- Urgent Care does not provide: Emergency medical care, Pediatric care or Maternity care.
- Detoxification care: Patients who have scheduled admissions to Mental Health programs should check in at Building 111. Others will be evaluated where they present.

IMMEDIATE MENTAL HEALTH CONCERNS

There are a number of options to seek help for immediate Mental Health concerns:

- Contact a VA Nurse at 320-252-1670, and press 3.
- Visit the Urgent Care Clinic, in Bldg. 1, St. Cloud VA Medical Center. Urgent Care is open 8 a.m. to 6 p.m., 365 days a year.
- After 6 p.m., visit Mental Health Triage in Bldg. 111 at the St. Cloud VA Medical Center.
- At all times, you may call 320-252-1670, and press 0.
- At all times, if you are having thoughts of suicide, call the Veteran Crisis Line at 1-800-273-8255 and press 1, or text to 838255.

EMERGENCY ROOM

The St. Cloud VA does **not** have an emergency room or intensive care unit. **Call 911** and access the closest community hospital with an emergency room if you have any symptoms such as these serious and possibly life threatening issues:

- Chest pain
- Thoughts of suicide
- Severe injury
- Uncontrolled bleeding
- Severe allergic reaction
- Shortness of breath or difficult, labored breathing
- Loss of consciousness
- Confusion
- Sudden, severe headache
- Sudden loss of hearing or eyesight

- Face, arm or leg weakness
- Slurred speech
- Sudden and severe abdominal pain

FAQ: EMERGENCY CARE IN NON-VA FACILITIES

When you need emergency care, go to the nearest hospital that has an emergency room or call 911. If you go to the hospital in an ambulance, the paramedics will usually take you to the closest emergency room.

What is a medical emergency?

A medical emergency exists when an injury or illness is so severe that without immediate treatment the injury or illness threatens your health or your life.

How do I know if I'm having a medical emergency?

Use your best judgment. If you believe you are suffering from an emergency call 911 or go to the nearest emergency room.

Do I need to call the VA before I obtain emergency care?

No. Call 911 or go to the nearest emergency room. If you are admitted, your family, friends or hospital staff should contact the nearest VA facility as soon as possible to provide information about your emergency room visit.

Does my enrollment in the VA Health Care System change my coverage for emergency care at VA expense?

Yes, it may. The VA Health Care System's Non-VA Medical Care clerk can explain your options. You may reach the Non-VA Medical Care billing department at (320) 252-1670, Ext. 6483.

Does my other insurance (TRICARE, Medicare, Medicaid, Blue Cross, etc.) change my VA coverage for emergency services?

Yes, it may. A VA Health Care System Non-VA Medical Care clerk can explain your options. You may reach the Non-VA Medical Care billing department at (320) 252-1670, Ext. 6483.

Will VA pay for emergency care if I am in jail?

No. Usually, the jail has the responsibility for providing you with medical care.

Will VA pay for emergency care received outside the United States?

If you are outside the United States and being treated for a service-connected condition the VA will pay for emergency care. The VA will not pay for emergency care related to non service-connected conditions. Contact the VA Health Administration Center at (303) 331-7590 for more information, or go to www.va.gov/purchasedcare/.

How long do I have to file a claim for reimbursement for emergency medical care?

Please file your claim with the nearest VA Health Care System or Medical Center quickly. If your regional office recently determined your benefits, you should submit a reimbursement claim as soon as you can. Time limits usually apply. Contact the Health Care System's Non-VA Medical Care billing department at (320) 252-1670, Ext. 6483 for an explanation of these limits.

Will I have to pay for any part of my emergency care?

It is possible. Sometimes co-pays are required based on your VA enrollment. Sometimes the extent of health care services reimbursable by the VA are limited by federal law.

The VA may be able to arrange and pay for the health care of eligible Veterans outside of VA medical facilities – but only in certain, limited circumstances:

- When the Veteran meets eligibility criteria
- When there is a medical need
- When VA medical facilities (or 'sharing agreement' facilities) are not available
- The VA's ability to pay for the medical care of Veterans provided by the community is regulated by federal law.

If I am admitted to the hospital as a result of an emergency, how much will VA pay?

This depends on your VA eligibility. The VA may pay all, some, or none of the charge. Contact the Non-VA Medical Care billing department at (320) 252-1670, Ext. 6483 about what is allowed under Non-VA emergency care programs:

- For service-connected conditions
- For non-service-connected conditions

You can get more answers to your questions on the Veterans Health Administration Community Care website at www.va.gov/purchasedcare/. You may also contact the St. Cloud VA Non-VA Medical Care Referral Center at (320) 252-1670, Ext. 6401 for details about your specific situation.

CO-MANAGED CARE

As an advocate for your health, your VA provider is continually reviewing your treatment plan, including medications, treatments and diagnostic tests, to ensure you are receiving the best and most effective health care. If you are a Veteran who is seeing both a VA provider and a community provider, your care needs to be coordinated.

For your health and safety you need to:

- Inform your community provider of the treatment received by a VA provider and
- Inform your VA provider of care you received in the community

In the course of your care, you may have recommendations for medications, treatments, and diagnostic tests from your community provider that you wish to receive through the VA. In order for your request to be reviewed, you need to give your VA provider copies of the following information from your community provider's office:

- The name, address and phone number of your community provider
- Copies of office visit notes and diagnostic tests supporting the treatment recommendations
- Copies of prescription(s)

You can supply these copies to your VA provider by either:

- Bringing copies with you to your next scheduled VA appointment
- Requesting your community provider to fax information to (320) 255-6416 or
- Mailing information to:

Triage Clerk (PM-136A)
VA Medical Center
4801 Veterans Drive
St. Cloud, MN 56303

Medications, treatments and diagnostic tests can only be ordered after your VA provider has reviewed the recommendations and decided which are appropriate, effective, and necessary.

If you receive a prescription from your community provider and you need to start it right away, you will need to purchase a 30-day supply from your pharmacy while the recommendations are reviewed by your VA provider. VA cannot reimburse you for medications you purchase at a community pharmacy.

Information on VA co-managed pharmacy benefits:

- Your VA provider needs to follow and review your health by seeing you for a physical at least once a year. VA cannot be used only as your pharmacy.
- VA providers can only prescribe medications and supplies listed on VA's approved list (formulary). You and your community provider can see this list at: <http://www.pbm.va.gov/apps/VANationalFormulary>
- The list includes drugs from all major categories. If the drug prescribed by your community provider is not on the list, your VA provider will prescribe a closely related medication.
- Some medications are only available after approval by a VA specialty service or other criteria are met.
- The VA prefers to do complete lab work for medications which require special monitoring unless circumstances such as geographic distance or physical immobility create a hardship.
- Your VA health care provider cannot prescribe medications which are high risk and need special monitoring (e.g. medications used to treat cancer, prevent blood clots, regulate heart rhythm or lithium) in the co-managed care program.

- Controlled substances prescribed by a community provider will not be reviewed or filled in the co-managed care program.
- Acute infection medications will not be reviewed or filled in the co-managed care program.
- Prosthetic devices or equipment can only be issued by the VA if ordered by your VA provider.
- Unnecessary, inappropriate, or harmful medications or supplies will not be prescribed.

PHARMACY SERVICES

Each time you meet with your provider, bring a list of all medications you are currently taking. This includes medications you are receiving from the VA, prescriptions you get from another pharmacy, over-the-counter medications and any herbal supplements you may be taking. After every provider visit it is required that you visit with a pharmacist before you leave to go home. Stop by Pharmacy Intake where a pharmacist will educate you on the new medications and we can process your medications to be mailed, put on hold, or process them for you to pick up at that time. If you do not stop at Pharmacy Intake your new prescriptions and the renewals the provider ordered will automatically be mailed to you and any applicable copay(s) will apply.

ORDERING MEDICATIONS

BY MAIL:

When you receive your medications there will be a refill slip with a barcode on it. As soon as you receive this slip, you can mail it in and when it is time for your next refill we will mail it to you.

Send refill slips to:
VA Health Care System
Attn: Pharmacy-119
4801 Veterans Drive
St. Cloud, MN 56303

If you prefer not to mail in the refill slip, we have a mailbox located in **Building 1, Room 108**, that you may come in and drop your refill slips into.

BY PHONE:

Call: 320-252-1670, press 1.

USE THE INTERNET:

www.myhealth.va.gov

My HealtheVet is a free, online personal health record that you can access 24/7 and request your medication refills.

REFILL INFORMATION

All of the VA's prescriptions come from a filling center in **Kansas or Tennessee**. It usually takes between 7 and 10 days, by mail, for that medication to arrive to you. Please **request your refills 2-3 weeks** before you run out.

Refills for regularly used medications can be requested as early as desired. Once requested, the refill will be added to our computer records and when the time comes it will be filled and mailed to you.

We **DO NOT** have an "auto-refill" system that automatically sends out your next refill to you. **You must request every refill.** If you run out of refills, you may contact the pharmacy and we will contact your provider for you!

PAYING FOR CARE

COPAYMENTS

Actual copay charges will vary depending on service-connection, priority group level and financial information submitted on your health care applications or means test/copay test. There is no copay requirement for preventive services such as screenings and immunizations.

OUTPATIENT SERVICES

Only Veterans from priority groups 7 and 8 are charged copays for outpatient services. The copay amount for outpatient care is limited to a single charge per visit, regardless of the number of health care providers seen. The copay amount is based on the highest level of services received:

- Basic care services, \$15/visit
- Specialty care services, \$50/visit

MEDICATIONS

As of Feb. 27, 2017, VA established copays for three classes of outpatient medications identified as Tier 1, Preferred Generics; Tier 2, Non-Preferred Generics including over-the-counter medications; and Tier 3, Brand Name. Copayment amounts for each tier are fixed and vary depending on the outpatient medication tier:

- \$5 for a 30-day or less supply - Tier 1 outpatient medication
- \$8 for a 30-day or less supply - Tier 2 outpatient medication
- \$11 for a 30-day or less supply - Tier 3 outpatient medication

These copays apply to Veterans without a service-connected condition, or Veterans with a disability rated less than 50 percent who are receiving outpatient treatment for a non-service connected condition, and whose annual income exceeds the limit set by law. Medication

copayments do not apply to former Prisoners of War, catastrophically disabled Veterans, or those covered by other exceptions as set by law.

Copayments stop each calendar year for Veterans in Priority Groups 2-8 once a \$700 annual cap is reached.

SELF SERVICE VETLINK KIOSKS

In an effort to improve Veterans' health care experiences, we have added self-service kiosks to streamline appointment check-in and to allow you to manage your own health information. The VetLink kiosks are very similar to systems used in airport terminals.

EASY TO USE TOUCH SCREEN

VetLink kiosks have touch-screen technology that provides Veterans easy access to check-in for appointments and make changes to their health information.

On VetLink, you can:

- Check-in for a previously scheduled medical appointment
- Update contact and demographic information
- Validate insurance information
- View account balance
- Print an appointment itinerary slip
- Request medical records
- File beneficiary travel requests

TRANSPORTATION

VETERANS TRANSPORTATION NETWORK (VTN)

VTN offers van transportation to and from appointments for ambulatory Veterans who do not have other means of transportation due to financial or medical hardship. Veterans must be able to independently get in and out of a vehicle. This service is available for Veterans who live within 50 miles of the St. Cloud VA Medical Center and within 20 miles of the Brainerd VA Clinic. Call (800) 247-1739 x 6676 to schedule.

The Veterans Transportation Network is a collaborative effort between the Disabled American Veterans (DAV) and the Voluntary Service program at the St. Cloud VA Health Care System.

VETERANS TRANSPORTATION SERVICE

St. Cloud VA offers transportation to appointments at the St. Cloud VA Medical Center for non-ambulatory Veterans (those who need assistance getting in and out of a vehicle). To schedule a ride call 800-247-1739, extension 7622.

BUS SERVICE TO MINNEAPOLIS VA

We offer weekday round trips from the St. Cloud VA Medical Center to the Minneapolis VA Medical Center and return.

DEPARTURE TO MINNEAPOLIS

The bus leaves the St. Cloud VA Medical Center Monday thru Friday at 8:00 a.m., and arrives at the Minneapolis VA Medical Center at approximately 9:30 a.m.

BOARDING TIMES & LOCATIONS

Building 50 and 51: 7:30 a.m.

Building 48: 7:40 a.m.

Building 111: 7:50 a.m.

RETURN TO ST. CLOUD

Departure from the Minneapolis VA Medical Center is approximately 2:30 p.m. The bus arrives back at the St. Cloud VA Medical Center at approximately 4:30 p.m.

BUS CANCELLATION

If the bus is cancelled due to bad weather, residents and outpatients with reservations will be notified. Unscheduled Medical Center closures at either end of the route will result in bus cancellation.

HAZARDOUS ROAD CONDITIONS

Outpatients with bus reservations, who feel road conditions for travel to departure points are questionable, should contact the Road Conditions Hot Line at 1-800-542-0220 for travel recommendations.

HOW TO RIDE

- To ride the bus, a Veteran must have an appointment at the Minneapolis VA Medical Center or be required to travel to the Minneapolis area to fulfill VA program requirements (job interviews, discharge from treatment programs, etc.).
- Walk-ons will be accepted for medical appointments on a space-available basis only.
- An appointment should be made to ride on the bus no later than 2 p.m. the day prior by calling (800) 247-1739, extension 7622. Monday travel requires reservations to be made the Friday prior.
- Please tell us if you will be bringing a wheelchair or a scooter as there is limited space on the bus.
- An attendant may ride the bus free with the Veteran on a space-available basis. The Veteran must notify scheduler if an attendant is riding.
- Allowable baggage is limited to two containers with dimensions of 15"x 18"x 9" or less and weighing no more than 25 pounds each.

UPON ARRIVAL AT THE MINNEAPOLIS VA MEDICAL CENTER

- The drop-off point is near the "Outpatient Entrance," located in front of the main building.
- Inform the Health Technician of any problems you have about appointment times, medical conditions or any other situation you may be concerned about.
- Notify the Health Technician when your appointment(s) are done.
- The Health Technician can usually be found in or passing through the Outpatient Entrance lobby.
- When you are finished with your appointment(s) and have notified the Health Technician, please wait in the Outpatient Entrance lobby.
- When all Veterans are finished with their appointments the bus will be loaded for departure.
- Every effort will be made to keep the bus running on schedule. However, unforeseen circumstances may delay travel.

BENEFICIARY TRAVEL

VA has a Beneficiary Travel Program to help reimburse costs of travel to medical appointments for eligible Veterans.

ELIGIBILITY

You may qualify if you meet any of the following:

- You have a service connected (SC) rating of 30% or more
- If less than 30% SC and you are traveling for treatment of a SC condition
- You receive a VA pension
- Your income does not exceed the maximum annual VA pension rate
- You are traveling for a scheduled compensation and pension examination
- Call 320-252-1670 and press 4 if you have questions about your eligibility.

LODGING

IN-HOUSE LODGING

Temporary in-house lodging (overnight sleeping accommodations) may be provided in the Community Living Center (CLC) as space and resources allow on a first-come, first-served basis for Veterans who meet criteria outlined below.

Lodging includes a bed, linens, shared room and bathroom facilities, evening meal and breakfast. Lodging is for one night only from 4 p.m. to 8 a.m. In-house lodging does not include caregivers, companions or service animals.

Veterans may qualify for lodging if space is available and:

- The Veteran has a scheduled clinic appointment or test before noon and travels 100 miles or more than 2 hours to the St. Cloud VAHCS or has transportation difficulties.
- The Veteran must be able to stay in an unsupervised setting and capable of self-care and administration of his/her medication, as directed by the medical provider.

A Veteran must call or present to the MAA after 4:00 p.m. in Building 111, or call 320-252-1670 and press 0 to determine if lodging is available.

GORECKI HOUSE

The St. Cloud Hospital Gorecki (Go-ret'-ski) Guest House welcomes Veterans and family members of patients who are receiving medical care in the St. Cloud community. The house offers a comfortable, homelike atmosphere that allows families the opportunity to stay close to their loved ones. Veterans traveling to St. Cloud for medical appointments or procedures may find the house a comfortable alternative to early morning commutes.

The Gorecki Guest House is conveniently located across the street from the St. Cloud Hospital, at 1309 Sixth Avenue North, in St. Cloud. The Gorecki Guest House does not provide medical care or assistance on site.

For more information, call 320-251-2700, ext. 51774, or visit www.centracare.com/patients-visitors/gorecki-guest-house/.

TRAVELING VETERAN PROGRAM

Many Veterans take extended travel and need care coordination during their travels. Contact your PACT if you are expecting to travel and need to arrange care.

IN AN EMERGENCY

Go to the nearest VA health care facility. If more immediate care is required, go to nearest emergency room and contact nearest the VA as soon as possible.

MEDICATIONS

- Take a supply of medications for the whole trip if possible.
- If your prescriptions will expire during your trip, ask your home primary care provider to extend them.
- For long stays, change the medication mailing address with your home pharmacist or primary care team. Refills will come directly to you during your travel.
- Update your address two weeks in advance of your appointment.

CUSTOMER SERVICE

The St. Cloud VA Health Care System takes pride in providing the highest quality of care and outstanding customer service. We recognize there may be times when a patient or family member has a concern that requires our attention. Because the best time to let us know of any issue or question is at the time it happens, please use any of the following ways to resolve your concern.

CONTACT STAFF IN EVERY AREA

No matter which service you visit, you should always be able to find a staff member to assist you in resolving your issue. We encourage Veterans and their families to speak up when they have a concern. If necessary, ask to speak to the supervisor.

PATIENT ADVOCATES – LOCATED IN BUILDING 48, ROOM 237 AT (320) 252-1670, EXT. 6353

The Patient Advocate and Veteran Experience Program is established to promote positive experiences for all our Veterans. Skilled Patient Advocates are available to help you with your concern. The Patient Advocates serve as liaisons between patients and the medical service areas, acting on the patient's behalf to resolve their concerns, and ensuring that patients understand their rights and responsibilities.

PATIENT FEEDBACK TOOLS

A variety of feedback tools allow you to provide information about the care and service you receive. Please take time to use these feedback tools.

- Comment Card Boxes are located throughout clinic areas
- Press Ganey Survey – A few days after your clinic visit, you may receive a satisfaction survey in the mail that asks about your visit with your health care provider.
- Survey of Health Care Experience of Patients – After your visit, you may receive a confidential questionnaire in the mail asking you about your most recent outpatient or inpatient treatment at one of our facilities.
- Periodic Special Interest Questionnaires – Occasionally, when we are considering making changes, you may receive a short questionnaire at your clinic visit. These surveys help us understand how Veterans feel about the change we are considering and help improve service.

MYHEALTHEVET & SECURE MESSAGING

MY HEALTHEVET - ONLINE PERSONAL HEALTH RECORDS

Once enrolled, Veterans can sign up for MyHealtheVet, a secure online service that enables Veterans to refill prescriptions online, view lab results, appointments, see VA notes and participate in Secure Messaging with their health care team.

To access My HealtheVet, go to www.myhealth.va.gov and follow the instructions on how to register. To fully access your My HealtheVet Personal Health Record complete an In-Person Authentication (IPA) at any of the St. Cloud VA HCS clinics. This will allow you to access all My HealtheVet features, such as:

- Activity & Food Journals
- Healthy Living Centers
- Log Your Military Health History
- Trusted Health Information
- VA Benefits & Services
- VA Prescription Refills
- Health Information Tracking & Graphing
- View Lab Results
- View Appointments
- View VA notes
- View Admission & Discharge Summaries
- View VA Allergies
- View VA Immunizations
- And much more

SECURE MESSAGING - ONLINE PERSONAL HEALTH COMMUNICATION

You can now take advantage of online communication with your VA health care teams. Secure Messaging, a feature of the My Health eVet website, is a safe and secure, electronic mail system that allows you to communicate **non-urgent, non-emergency** health-related information with your VA health care team.

Some uses of Secure Messaging include:

- Getting test results and health information
- Requesting medical appointments
- Resolving hearing aid issues
- Prescription questions

Secure Messaging does not replace the telephone; rather it complements the telephone and helps increase communication opportunities between patients and health care teams.

To take advantage of Secure Messaging you need internet access. Go to www.myhealth.va.gov to set up your own account on My Health eVet - registering as a "VA Patient."

VETERANS HEALTH LIBRARY

The VHL offers Veterans, family members, and caregivers 24/7 access to comprehensive, Veteran-focused health information. The Library is a one-stop source for health information to help Veterans stay well and well-informed. All health information is available to Veterans, their family and the public, no matter where the Veteran receives care. Visit the library at:

<http://www.veteranshealthlibrary.org/>

PATIENT RIGHTS & RESPONSIBILITIES

Employees must respect and support your rights as a patient. If you would like more information about your rights as a patient, please talk with your VA treatment team members or if necessary, a Patient Advocate. Rights and Responsibilities are posted in outpatient and inpatient areas. If you have not received a copy of your Rights and Responsibilities, please contact the Patient Advocate at 320-252-1670 Ext. 6353 to obtain a copy.

If you need more help after talking to your care team and the managers in the area where you receive care, contact the Patient Advocate at 320-252-1670 ext. 6353. Patients also have the right to contact the Medical Center's accrediting agency (Joint Commission) if their concerns cannot be resolved by working with Medical Center management.

Contact the Joint Commission by e-mail or telephone: complaint@jointcommission.org, or Phone: 1-800-994-6610.

SPEAK UP

We encourage Veterans and their families to get involved with their care.

Speak Up

- If you have questions or concerns, ask.
- If you don't understand, ask again.
- Don't be afraid to talk to your health care provider if you are unsure about something regarding your care.

Pay Attention

- Tell your nurse, provider, lab technician, or health technician if something doesn't seem quite right.
- Make sure you're getting the right tests, treatments, and medications from the right health care professionals.
- Don't assume anything.

Educate Yourself

- Gather information about your diagnosis, medical tests, and your treatment plan.
- Write down important facts your provider tells you.

Ask For Help From Those Close To You

- Have a trusted family member or friend with you when talking to healthcare workers.
- Make sure this person understands your preferences for care.

Know Your Medications

- Medication errors are the most common healthcare mistakes.
- Ask why you take a medication.
- Report any food or drug allergies.
- If you are taking more than one medicine, ask if it is safe to take those medications together. This includes vitamins, herbal supplements, and other over-the-counter drugs.
- If you do not recognize a medication, ask about it.

Use Common Sense

- If something doesn't make sense, ask about it.
- If you need more information before making a decision, get it.

Participate

- You are the most important member of the health care team.
- Be involved in all decisions about your treatment.

VA COMMUNITY CLINICS

A VA Clinic is a health care site that is geographically distinct or separate from the parent medical facility. St. Cloud VA HCS operates VA Clinics in Alexandria, Brainerd, and Montevideo. Services available at the VA Clinics include:

- Primary Care
- Specialty Care Referrals
- Mental Health Services including individual, group and family counseling
- Psychological Assessment and Testing
- Medication Management
- Social Work Services
- Clinical Pharmacy Services
- Home-Based Care
- Tobacco Cessation Counseling
- Prescription Processing
- Laboratory Blood Drawing Services
- Chronic Disease Management
- Care Coordination for Home Telehealth
- Telehealth Classes (diabetes and weight loss)

Additionally, the Brainerd VA Clinic provides Podiatry services.

TELEHEALTH SERVICES

Telehealth uses virtual technology methods to assist in the care and management of health care needs. The use of telehealth provides improved access to health care services and specialties. Telehealth is used in many clinical settings at the St. Cloud VA. There are three types of telehealth:

- **Clinical Video Telehealth (CVT)** is a live video connection with providers making it possible for the Veteran to travel to the closest VA location and connect to a specialist at a distant location. In some circumstances, technology can be sent to the Veteran's home enabling the Veteran to remain in their home for visits;
- **Home Telehealth (HT)** provides equipment in the Veteran's home to assist with health status monitoring. This data is sent to the Veteran's care team daily and assists the Veteran in self-managing their disease processes.
- **Store and Forward Telehealth (SFT)** is technology that acquires data or images and then forwards this information to a specialist at another VA location.

VOLUNTARY SERVICES

Voluntary Service supplies donations and volunteers to supplement the care of Veterans through the St. Cloud VA Health Care System. Our health care system depends on the good will of our benefactors and volunteers who want to give something back to America's Veterans. Please contact the office with any questions regarding the services available to Veterans and also consider donating or volunteering to help support our nation's Veterans.

VOLUNTEER

Volunteer opportunities are available for adults and students who are at least 13 years old. Groups and individuals are welcome. Volunteers can work in a multitude of assignments with patients to help the VA run smoothly.

GIVE

- Support programs, projects and activities with monetary donations.
- Sponsor or help with bingo, picnics or other parties.
- Donate new clothing, shower shoes, reading glasses, twin size quilts, gift cards to local grocery stores or restaurants or bus tokens/passes.

To make a donation to benefit Veterans of the St. Cloud VA Health Care System or to volunteer, contact the St. Cloud VA Voluntary Service office at 320-252-1670 ext. 6365 or vhastcvavsstaff@va.gov.
